

## ICONIP 2025 Sponsorship Invitation (English)

Dear Sir/Madam,

We are excited to announce that the 32nd International Conference on Neural Information Processing (ICONIP 2025) will be held from November 20 to 24, 2025, in Okinawa, Japan - a beautiful subtropical island known for its clear blue seas, coral reefs, and welcoming atmosphere.

ICONIP is the largest neural network conference in the Asia-Pacific region, covering a wide range of topics from machine learning and AI to computational neuroscience and biomedical informatics. It offers a unique opportunity where academic excellence meets practical innovation, and where industry and academia come together for mutual growth and knowledge exchange.

This year's ICONIP will be a special joint event with the 35th Annual Meeting of the Japanese Neural Network Society (JNNS), bringing together hundreds of researchers, professionals, and students from around the world for a lively and inspiring academic gathering. We already received 1,124 paper submissions, and the program will feature around 400 research presentations, three keynote lectures, five tutorials, and five workshops - all to be held onsite in the campus of Okinawa Institute of Science and Technology.

We would love to welcome your organization as a sponsor of ICONIP 2025. Sponsorship is a great way to connect with the community, raise your brand's visibility, and support the advancement of interdisciplinary neural information science.

Sponsors will enjoy a variety of benefits, including exhibition booths, recognition at the conference banquet, and exposure on the official website, printed program, or lecture hall screens. We are pleased to offer a 30% discount for Supporting Members of JNNS - if your organization is not already, this is a great time to consider joining!

We look forward to your support and participation in making ICONIP 2025 a success - see you in beautiful Okinawa!

Warm regards,  
ICONIP 2025 Organizing Committee
